**How does Ontario Quartet
Event work?**

Guest coach:
Theresa Weatherbee

Each singer must arrive knowing the 8 songs cold (including an 8-part song this year!) and will be placed throughout the day with three other parts. This is repeated 6 times, allowing you to sing with as many fellow registrants as possible, all the while being coached in a gorgeous country setting by top notch educators! In the evening every singer will perform all 8 songs in a chorus setting. Then the fun starts! Participants will be randomly drawn for a quartet contest. (each with an assigned song)

Your quartet will then perform on our “relaxed” evening show, in front of our appreciative Harmony Ranch audience!!!
